Dear Tobacco Permit Holder:

Certain restrictions are imposed on outdoor tobacco advertising, along with a 10 percent advertising fee on "the gross sales price of any outdoor tobacco advertising." See Health and Safety Code, Subchapter K, enacted by the 75th Texas Legislature.

If you or your company purchases outdoor tobacco advertising for use in Texas (such as a structure, display, light device, figure, painting, drawing, message, plaque, poster or billboard) that is used to advertise or inform and is visible from the main-traveled way of a street or highway, please complete the enclosed fee report (69-118) and remit your payment to the Comptroller's office. This fee report and payment are due quarterly on or before the 20th day after the reporting period. The next report is due Oct. 22, 2012. The report must be filed even if there is no fee due.

If you have additional questions, please visit our Cigarette and Tobacco Products Outdoor Advertising Fee web page at http://www.window.state.tx.us/taxinfo/cig_tob/ctp_adv.html. You can also send an email to tax.help@cpa.state.tx.us or call 1-800-531-5441, extension 3-4276.

Sincerely,
